

YOR920030573US1 **AMENDMENT AFTER ALLOWANCE** 00280762AA
Amendment dated 03/21/2008 Reply to Notice of Allowance mailed 03/19/2008

REMARKS

The Examiner's Interview Summary correctly states that the Applicant reserves the right to file a continuation application.

However, it was made clear in the interview that in agreeing to include all the limitations recited in dependent claims 2 and 3 into claim 1, in order to expedite allowance of the claims, the Applicant was not giving up the right to pursue the broader subject matter in a continuation application.

Consequently, Applicant remains agreeable to the Examiner's Amendment provided it is understood that the reserved right to file a continuation application includes the right to pursue the broader subject matter given up in order to expedite allowance of allowable claims.

Sincerely,

A handwritten signature in black ink, appearing to read "Clyde R. Christofferson", with a long, sweeping horizontal stroke extending to the right.
